August 2022 Newsletter
Trinity Lutheran Church-ELCA
Cook, Minnesota

"We believe there is no person or created thing which is outside the active love and grace of God shown so clearly in Jesus Christ. And through the active love and grace of God, we, as a body of Christ, are called to invite, welcome, and care for all."

★ August Star Word Prompt: Who have you shared your star word with? What have you shared? Have they given you any outside insight how you interact with your star word?

Let it be acclaimed that Lori Anne-Mosher Gordon is a Called and Ordained Minister of Word & Sacrament in the ELCA! Thanks be to God!

Rev. Lori was ordained on July 16, at Trinity and has been called to serve the Jesse Lake Lutheran Church (Talmoo) and Suomi Evangelical Lutheran Church, rural Deer River, MN. (pictures, pg. 5)

God's Blessings, Pastor Lori!

Continued Blessings on the Anniversary of Your Ordination, Pastor Erika!

Trinity family and friends helped Pr. Erika celebrate the 15th Anniversary of her Ordination to the Ministry on Sunday, July 17. Dn. Kari gave the blessing.

Hamburgers, hot dogs and cake were enjoyed after the worship service. A special thank you to grill masters Leo Wilenius and Greg Wilson for preparing the meal.

They are Back!

Northern Lights Chamber Music Institute

Friday, August 19, 2022

7:00 p.m.

Please join us for another evening of beautiful chamber music performed by 28 outstanding young artists, mostly from our region, but also from as far away as Boston and New York.

A program of quartets and sextets will be performing and all participants will join at the conclusion of the concert to play together in a string orchestra.

The NLCMI is an annual summer camp which involves ten days of intense chamber music studies held at Camp Vermilion. Gifted young musicians of college and high school age, along with internationally acclaimed faculty, participate in this annual concert.

The Northern Lights Chamber Music Institute is the premiere educational wing of the Chamber Music Society of Minnesota, lead by Young-Nam Kim and Arian Kim, Co-Artistic Directors.

A LITURGY FOR EARTHKEEPING

For five consecutive Sundays starting August 7, we will celebrate a *Season of Creation* during worship. The first Sunday is *Water* and we invite everyone to bring a small amount water from the lake or water source you live on or near. These samples will be placed in the baptismal font for Ocean/Lake Sunday. Following Sundays include Cosmos, Fauna/Animal, Storm, and River. Liturgy we will be using for this series is *The Liturgy for Earthkeeping*, commissioned in honor of Luther College's sesquicentennial in 2012. It is a collaborative project between Dakota Road Music and Luther College Ministries.

From Pastor Erika

The Doctrine of the Priesthood of All Believers: The doctrine asserts that all humans have access to God through Christ, the true high priest, and thus do not need a priestly mediator. This introduced a democratic element in the functioning of the church that meant all Christians were equal. The ordained clergy thus were representatives of the entire congregation, preaching and administering the sacraments. <https://www.britannica.com/topic/priesthood-of-all-believers>

1 Peter 2:4-5

4 “Come to him, a living stone, though rejected by mortals yet chosen and precious in God’s sight, and 5 like living stones let yourselves be built^[a] into a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ.”

There is a national campaign with the slogan “See Something, Say Something”. I think we need this campaign in our church, too. How would I use this campaign? I would use it for you, for me, for everyone that calls themselves a member of Trinity Lutheran.

Background: **We miss you.** We miss those that worshiped with us pre-pandemic. We miss those that come just once a month and we haven’t seen in a while. We miss the summer people that we haven’t seen back yet. We miss the fall and winter people we don’t see in the summer time!

Now, my “Say Something, See Something” campaign: When you see someone or ones that fall into the previously mentioned paragraph, it is your duty as a priesthood of all believers to say something to the person. You are qualified to say “we miss you, how have you been?” As members of the priesthood of all believers, you don’t need to be ordained to do the work of checking in on missing members. This is the work of us all!

So the next time you see someone, say something to them! This is our work as members of Trinity to check in with people. This is our work as the priesthood of all believers to be a neighbor to all people.

Pr. Erika

Check out the new table and umbrella for the bell tower garden, both purchased with memorial money. What a welcoming, relaxing addition to the space.

Thank you to Jody Bixby, Dn. Kari and Beth Sprouls for assembly.

The Well

*Moved to **Mondays at 9:30 a.m.** in the Fireside Room*

The Well took a break from meeting for the month of July. In August we will resume meeting but change to **MONDAYS** at 9:30 a.m. If you are interested in *The Well* but need to meet during an afternoon or evening, please let me know and we can start another one.

All are invited to come to *The Well*. *The Well* is a place where we gather for spiritual renewal and prayer. It is a place where we come to be refreshed by living water. You may come every week or occasionally. Whenever you show up, however you show up, you will be welcomed. We meet for about an hour and generally have some silence for centering, a check-in, a guided spiritual practice, and prayer. This can change depending on the needs of the group. A candle is usually lit and sometimes we use a singing bowl. The rules at *The Well* are simple: come as you are, share as much or as little as you want, listen to others with no fixing or advice, keep confidentiality.

If you have any questions or just want to talk or pray together, feel free to stop by my office at the church, call me on my cell phone (218-290-5984) or the church phone, send me an email (deaonkari@trinitycook.org), and/or make an appointment with me.

I look forward to resuming *The Well* on a weekly basis and hope to see you there.

On this journey with you!

Deacon Kari (she/her)

From the President

Greetings

The number of grandchildren at my house recently increased by 100%, jumping from 4 to 8 in the period of a week. They range in age from almost 10 years to 2 months. The native Cook-ites were joined by their New Yorker cousins for a summer visit. Having this many kids in our lives at one time certainly changes the equilibrium we normally exist in.

Having this many kids in my life also heightens my concern for the future. For most of my life I have felt that life was slowly getting better and the future was bright. But in recent years, I have become worried about what the future will bring, not so much for me but for that passel of grandchildren just mentioned. What sort of life is in store for them.?

We have no crystal ball that clearly shows the future. People have pondered the future since biblical times, and probably way before that. The only chance we have of predicting the future is a wide open look at the recent past to see the direction we are heading. The only way prophets have been able to predict the future is by clearly defining the present.

If the path we see we are on is leading to undesirable results, it is up to us to change direction. We can use prayer and faith for guidance and strength; and intellect, resolve, action and perseverance to change direction and achieve desirable outcomes.

We walk many paths at the same time. Some paths we walk alone, others with small groups and some with all of humanity. With this many paths to walk at the same time, it's no wonder we sometimes get lost. Sometimes we are the pathfinders and sometimes we are followers and go with the flow.

Our future on Earth is finite, but our total future is infinite. But our finite future on Earth overlaps with the other finite futures of our children, grandchildren and beyond. We should be concerned with their futures and help define paths that will make their lives rewarding and fulfilling.

Trinity Lutheran Church in Cook is a path we share. There are many things we can do to make sure this is a lasting path into the future. Please help define our common path through prayer and participation.

Let me end with the Serenity Prayer featured at Squeek McCue's memorial service.

“God grant me the Serenity to accept the things I cannot change,
the Courage to change the things I can,
and the Wisdom to know the difference.”

I look forward to seeing you on the path to a brighter future.
We can each make a meaningful difference!

Bill

The End Is Near!

The end is near indeed for our long journey and what a journey it has been! Ten years ago, our Trinity congregation embarked on an epic remodel of the church that added much needed space, function, handicapped access and efficiencies in operation that will serve the church well into the future. And now, we begin the last leg of the journey to pay off the financial commitment for the church renovation with the fourth debt reduction appeal. Given the congregation’s past level of support, this appeal will pay off the loan for the project in full and in less time than the loan was planned for, saving thousands of dollars in the interest!

Your volunteering, your financial support and your prayers through these busy years in God’s service are testament to God’s grace and commitment of the congregation. Thank you! And to be clear, please know that this Growing in Grace appeal is a 3-year commitment and is separate from your regular monthly support of church operations.

With this letter, we invite your participation in this pledge drive for whatever amount works for you. You should have received a pledge form for this Growing in Grace appeal. If you have not received one or misplaced the one sent earlier you may stop by the church office and pick one up. It will be most helpful if we could know of your intentions soon enough to make for an accurate announcement on the appeal results on Celebration Sunday, July 31.

We hope you’ll join us for strawberry shortcake on the July 31st, and we hope you’ll join us in this appeal as “many hands make for light work.” Thank you again! Your involvement is the backbone to the church mission that serves us, and the community at large, with God’s gift of love as shown so clearly in his son, Jesus.

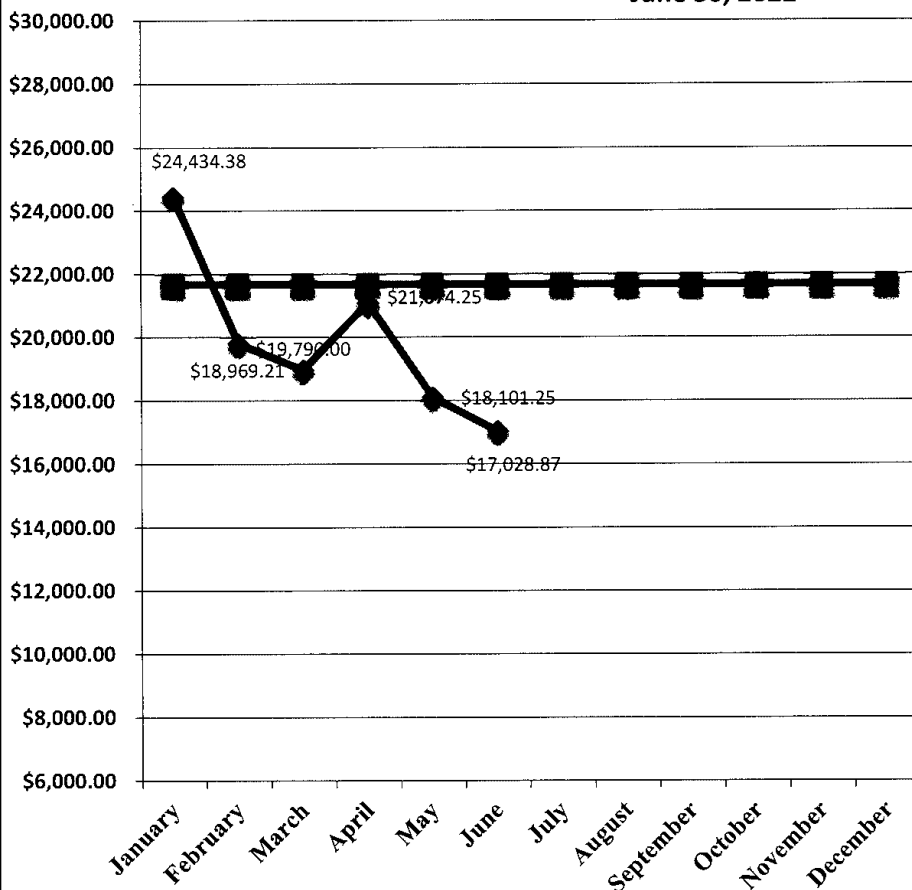

Yours in Christ,

Growing in Grace Committee

Strikepoint, an internationally acclaimed handbell choir from Duluth, performed at Trinity on July 11, to a warm reception. A mix of musical pieces brought smiles, laughter and much applause; even dancing to the music of Glenn Miller's *Moonlight Serenade*.

A portion of the collected freewill offering was shared with Trinity's Grace Notes bell choir.

Strikepoint rings six octaves of bronze handbells, with additional aluminum bass bells, seven octaves of hand chimes, along with a range of other specialty bells and instruments as needed.

Concert selections vary from Bach to Lady Gaga. They are highly regarded in the handbell world as pioneers and innovators, and are considered one of the very top handbell ensembles in the world.

A Strikepoint concert is a guaranteed fast-paced high-energy, rollicking good time!

It's a workout -- and takes a special talent to ring those big bells.

Long-time Grace Notes bell ringer, Laura Bergman, getting a few technique tips from members of Strikepoint.

Dancing under blue lights, a disco ball and bubbles was encouraged during the playing of *Moonlight Serenade*.

Interacting with audience and some Grace Notes members after the concert.

Demonstrating the Big Bell for curious audience members, post-concert. The largest of the aluminum bells weighed approximately the same as a bowling ball on a stick.
